ISMTA Central Office – 113 South Walnut Street, Champaign, IL 61820
217-398-4199 – www.ismta.org

Dear Parents,

The Illinois State Music Teachers Association (ISMTA) provides an opportunity for private music students to have their study and achievement recognized each year. My students have been working on the Achievement in Music (AIM) program. This is a carefully planned course of music study designed in cooperation with the music departments of colleges and universities throughout the nation.

As an extra incentive, examinations are held each year. Students are evaluated privately on their knowledge of music theory, technical skills, and pieces that have been prepared. Written comments will be given and a Certificate of Merit and a pin will be awarded.

I would like to enroll your child in the ISMTA AIM Examinations which are an annual event participated in by over 4,000 students across Illinois and by many more across the nation.

I would like _____ to participate in

Level _____ on _____ at _____

The entrance fee for this level is \$ _____ payable directly to me.

Levels 1A, 1B, 1C, and 2 do not require a separate Theory examination. Levels 3 – 12 are more comprehensive and require two separate test days. Theory examinations are generally given in November, and Performance Examinations are scheduled in March.

Your interest and encouragement are very necessary. Care is taken to make this a positive and rewarding experience. If you have any questions, please feel free to discuss them with me.

Sincerely,
Debi Inch
